Instruction

CONCEPTS AND ROLES

The Superintendent or Designee

1. Establishes procedures for the ongoing review, evaluation, and development of the district’s curriculum on a rotational basis where all curriculums are reviewed once every five years.

2. Ensures the articulation of the district curriculum among educational levels.

3. Administers the district’s educational program and reports to the Board on the accomplishment of the district educational objectives through testing and other types of appraisal.

4. Decides the general methods of instruction to be used.

5. Assigns instructors and schedules classes for all curricular offerings.
   a. Assures adherence by staff to approved curriculum standards.
