Instruction

AIDS INSTRUCTION

The School Board recognizes that Acquired Immune Deficiency Syndrome (AIDS) poses a public health crisis. At the present time, society's most effective weapon against the spread of this deadly disease is public education.

Before students receive AIDS instruction, parents/guardians shall be notified. Alternative study arrangements may be made for students whose parents/guardians ask that they not receive instruction.

(cf. 1312.2 - Complaints concerning Instructional Material)
(cf. 5141.23 - Infectious Disease Prevention)
(cf. 6142.1 - Family Life/Sex Education)
