VISITORS ON CAMPUS

The School Board welcomes and encourages parents, educators and other interested members of the community to visit the schools and view the educational program. The Superintendent or designee shall establish procedures to facilitate visits, to prevent the disruption of the educational program, and to protect the health and safety of students and staff.

The Superintendent, the building principals, and their designees each possess the authority to prohibit the entry of any person on the property of this district or to expel any person from district property when there is reason to believe the presence of the person on district property would be disruptive to or otherwise impair the district’s program. If any person refuses to leave district property after having been requested to do so pursuant to this policy, district personnel are authorized to request assistance from local law enforcement officials in order to remove the person.

The School Board is committed to keeping the schools safe and does require all visitors to register upon coming on campus during school hours. Registration may include an appointment with a staff member.

The principal or designee shall promptly expel from school premises any individual he/she thinks might disrupt normal school operations, threaten the health and safety of students or staff, or cause property damage.

The principal or designee shall ensure that all staff members and students know what action to take when they observe strangers on school grounds and when and how to get help from law enforcement authorities.
