ADMINISTRATIVE REGULATIONS

Note: Pursuant to A.S. 14.14.100, administrative rules which do not embody school district policy need not be formally adopted, but must be in written form and readily available to school personnel.

The implementation of policies is an administrative task to be performed by the Superintendent or designee who shall be held responsible for the effective administration and supervision of the entire school system.

Note: The term "administrative regulations" refers to those written procedures which are reviewed or approved by the Board and placed in the policy manual. District "Rules" or "procedures" is used when Board review or approval is not required.

The Superintendent or designee shall develop administrative regulations when required by law or Board policy or when, in his/her judgment, Board endorsement of district procedures is desired.

Administrative regulations shall be consistent with Board policies, education-related laws, negotiated employee contracts, and rules and regulations of the State Board of Education. The Board may shall review administrative regulations and require may suggest the revision of any regulations which it finds inconsistent with Board policy.

Administrative regulations shall be included in the district's policy manual. District and site level procedures will be maintained in appropriate district and/or site locations and readily available to school personnel.
