- Mandatory Trainings

Cost of $20,000 for subs PLUS loss of student contact time with teachers

Proposed

Average of 857 hours of instruction per year
Parent/Teacher Conference time late afternoons for four days plus evening hours
Professional Development for Teachers in the following areas:
- Educator Evaluation
- Student Learning Objectives
- New Standards and new instructional materials
- Arts, Culture, and Technology Standards
- Response to Instruction
- Social Emotional Learning
- Use of Digital Tools
- Literacy Instruction
- School-specific topics
- Mandatory Trainings

Cost of $0 for subs PLUS NO loss of student contact time with teachers

What is the trade off?

- 2 additional days with no students with no loss of average hours of instruction
- 8 additional early release days
