RESOLUTION OF THE SITKA SCHOOL BOARD

Resolution No. 2018-01

A RESOLUTION SUPPORTING AND ADVOCATING FOR IMPLEMENTATION OF ALASKA’S EDUCATION CHALLENGE

The Sitka School Board recognizes that Alaska’s public education system, including the Sitka School District, faces a variety of challenges and obstacles that can adversely affect student achievement, which may result in achievement gaps for many students.

Alaska’s Education Challenge has focused on the following three Commitments:

- Increase Student Success
- Cultivate Safety and Well-Being
- Support Responsible and Reflective Learners

As the governing board responsible for providing a quality public education for each student in our district, we are resolved to ensure that our district strives to implement Alaska’s Education Challenge priorities in our schools.

NOW, THEREFORE, BE IT RESOLVED, the Sitka School Board, recognizes that each of these three commitments are an essential element of our work as a school board. The Board supports and advocates for the continued statewide focus, legislative support, and implementation of Alaska’s Education Challenge and the need to provide an excellent education for every student every day.

Approved by the Sitka School Board at their February 6, 2018 regular meeting.
