Certification,

On behalf of the Sitka School Board, I am requesting a Limited Certificate in Alaska Native Language or Culture for Roby (Robert) Littlefield.

Roby Littlefield has been working for the Sitka School District since 1995 as a Tlingit language and culture teacher, first in the high school, and starting in 2001, at the middle school. She has been taught by dozens of fluent Native speakers and Native leaders, which in turn, she give her knowledge to her students at school as well as other adults in the community.

Sincerely,

Frank Hauser
Superintendent
