Dear School Board,

I am proposing two Spanish class trips this year.

**Spanish 4 to Costa Rica** (9 day trip) from March 13th to March 22nd. The trip to Costa Rica is through a company called EF Tours. I let them know the dates of our spring break and these are the dates they have available for our tour.

The cost of the Costa Rica trip is approximately $2182 and it includes 3 meals a day, hotels, traveling within Costa Rica and airfare from Seattle.

Mike Vieira and Gary McCarty have expressed interest in chaperoning the trip to Costa Rica.

**Spanish 3 to Guatemala** (15 day trip) from June 5th to June 20th

The cost of the Guatemala trip is approximately $2300 and it includes 3 meals a day, 4 hours of school each day in the morning, a homestay with a family, hotels, traveling within Guatemala, and airfare from Seattle.

Last year I received a $2000 scholarship from the Sitka Permanent Charitable Trust to help a student travel to Guatemala.

Sarah Bruhl and Cheryl Vastola have expressed interest in chaperoning the trip to Guatemala.

Thank you for your consideration,

Ariel Coleman
