Bylaws of the Board

ORIENTATION

The Board invites all Board candidates to attend public Board meetings during the period of their candidacy so that insofar as possible, new members will be prepared to discuss and cast informed votes on matters before the Board from the time that they are sworn into office.

The Superintendent or designee shall cooperate impartially with all candidates in providing them with information about district activities and school programs.

The Board and the Superintendent or designee shall help each newly elected member to understand the Board’s commitment to board standards, district operations and the Board's functions, policies and procedures as soon after election as possible. Incoming members are encouraged to read the Board’s policies and informational materials on the function of the Board and the school system, to visit school facilities, and to meet with the Superintendent or designee and Board president, as needed to become oriented to Board service.

The incoming member may attend, at district expense, workshops for newly elected members, as designated by the Board. The district will provide opportunities for board training including workshops for newly elected members.
