RESOLUTION OF THE SITKA SCHOOL BOARD OF EDUCATION

Resolution No. 2013-06

RECOGNITION OF CARL ROSE AND HIS SERVICE TO ALASKA SCHOOL BOARDS AND ALASKA’S STUDENTS

The Sitka School Board of Education stands resolved to recognize Mr. Carl Rose, the Executive Director for the past 26 years of the Alaska Association of School Boards for his exemplary and outstanding dedication to the support and success of Alaska’s locally elected school boards and all of Alaska’s students. Carl Rose began his involvement in Alaska’s educational system as a school board member from Skagway and soon found himself at the helm of an organization dedicated to helping local school board members realize their potential as a locally elected governance body responsible for directing the public education of all of Alaska’s children. The Sitka School Board would like to recognize the profound impact that Mr. Rose has had on Alaska’s education system. More importantly Mr. Rose was an ardent defender and promoter of the ideal that local school boards are the foundation of providing quality public education, focused on student achievement, through effective local governance.

NOW, THEREFORE BE IT RESOLVED that the Sitka School Board recognizes that without the guidance and leadership of Carl Rose and the Association of Alaska School Boards, the success of the Sitka School District and its focus on a quality education for all of its students would not be what it enjoys today. The Sitka School Board thanks Mr. Carl Rose for his commitment, passion, tenacity and unparalleled service to public education.
