Planned Absence / Homework- TRAVEL SHEET

Students: Take this form around to all your teachers to get assignments for each class before you leave on your prearranged absence. This sheet goes with you on your travels so you know what to do while you are gone.

* If this is **NOT** a school event please make sure that your parent or guardian calls the Blatchley office at **907-747-8672** about your absence so we can make sure you are excused during this time.
